A total of one (1) prize (the "Prize") will be selected in electronic, randomized drawings. The drawing for the Prize (described below) will be held by January 15th, 2023 following the Promotion Period. The drawing will be from all eligible entries received during the Promotion Period. The drawing will be conducted by Sponsor, whose decisions are final and binding in all matters relating to this Promotion. Odds of winning depend on the number of eligible entries received.

One (1) Prize will be awarded for each Promotion. The Prize will consist of the following: \$100 Amazon Gift Card if the winner's review included images.

Or

\$50 Amazon Gift Card if the winner's review is text only.

Entries that are incomplete or do not adhere to the rules or specifications may be disqualified at the sole discretion of Stamina Products.

Potential winner will receive Prize notification and prize claim information via email within forty-eight (48) hours after the drawing, or as soon thereafter as reasonably practicable. Stamina Products is not responsible for any change in entrant's telephone number, mailing address, and/or email.

If the winner cannot be contacted, is ineligible, or fails to claim the prize within 72 hours from the time the award notification is sent, the prize may be forfeited and an alternate winner will be randomly selected. The prize will be shipped by mail. The winner will need to provide Stamina Products with a physical mailing address so Stamina Products can ship the prize.

Entrants who do not follow all of the instructions, provide the required information in their entry form or the like, or abide by these Official Rules or other instructions of Sponsor may be disqualified. All Promotion entries become the property of Sponsor and will not be acknowledged or returned. Online entries will be considered to be entered by the authorized account holder of the e-mail address submitted at time of entry and he/she must comply with these Official Rules. The authorized account holder is deemed as the natural person who is assigned to an e-mail address by an Internet access provider, online service provider or other organization that is responsible for assigning e-mail addresses for the domain associated with the submitted e-mail address.
